

VISIONARY RESEARCH SOCIETY MEMBERS

An Extraordinary Opportunity to Support Orthopaedic Research

Established in 2013, the Visionary Research Society (VRS) recognizes individuals who have demonstrated their commitment to orthopaedic research with a major gift to the OREF Research Fund. The fund supports grants for both agenda-driven and investigator-driven research. Members of both the Visionary Research Society and Shands Circle are indicated by a diamond (◆). Deceased donors are indicated by a dot (•).

OREF is pleased to recognize these extraordinary donors.

\$1 Million +

Dr. John and Mrs. Kim Callaghan ◆
